

Sponsorship Commitment and Information

As a BTI Godparent of Vijayalaxmi Memorial StoneBridge School (VMSS), I commit to the following:

Financially support my godchild a minimum of \$600/year

- Child sponsorship funds are used to provide a Christian, English-speaking education, housing, food, basic medical needs, books, supplies, uniforms, and sports facility.
- While the \$600 does not fully cover all expenses, the school could not exist without your support.
- The true cost to sponsor your child is \$70/month (\$840/year).
- 87% of your money goes directly to your child's education and well-being. The remaining 13% is used for supporting program activities.

Give for the duration of my child's education

- VMSS houses students in classes 1 – 10.
- We want to establish a strong godparent/godchild relationship and feel this is best accomplished by a commitment for the entirety of the child's schooling.

Give in a timely manner

- VMSS runs on a very tight budget. Therefore, gaps in giving have a significant impact and ripple effect that cannot be endured.
- Based on budgetary requirements, please choose **one** of the following frequency options:
 - **Monthly**
 - **Annually** (total amount given before August 31)
 - **Semi-annually** (50% given before August 31 and 50% given before December 31)
- Monthly online giving is requested either through a personal bank account or the BTI database.
- Contact Tiffany Griggs for details about the BTI database.
- Lapses in consistent giving may result in your godchild receiving a new sponsor.

Write to my godchild

- The relationship between godparents and godchildren is the heartbeat of the ministry. BTI uses letter writing as the primary avenue in developing this relationship.
- Letters are sent and received three times per year: the start of school, Christmas, and Easter.
- You will receive notifications when letters are due and be given a list of gift ideas to include with your package.
- **Do not** include sponsorship funding in letter/gift packages.
- ******CURRENTLY - we are requesting letters and pictures via EMAIL due to COVID******

Give a one month written cancellation notice

- Circumstances may prevent you from continuing to be a part of BTI. We simply ask for a one-month written cancellation letter or email so we have time to re-sponsor your godchild.
- Once your written notice has been submitted, you will receive confirmation of receipt within five business days.

Communicate to and receive communication from BTI

- Please communicate new contact information in a timely manner.
- Email and the private BTI Facebook group are the primary means of communication from Bridge to India.
- You will receive an Annual Sponsorship Packet each August.
- A child's circumstances may change. There are times when children do not return to VMSS for various reasons. You will be informed quickly if your child is not returning and you will be given the opportunity to sponsor another child.

Invest in a Student, Change a Generation

Sponsorship Commitment and Information *continued*

As a BTI Godparent of Vijayalaxmi Memorial StoneBridge School (VMSS), I commit to the following:

Honor the Privacy Policy

- Bridge to India (BTI) recognizes that access to the internet and social media is rapidly advancing on a global scale. Unfortunately, the introduction of worldwide communication also brings new risks to the safety and privacy of our children at VMSS.
- Our deepest desire is to promote healthy, God-honoring relationships between children and sponsors while also ensuring the children, their families, and sponsors are protected from any unsafe or inappropriate internet and social media use.
- Video chat sessions facilitated by the BTI Director are available annually (July) via sign ups.
- Direct, unmonitored communication with sponsored children or their families is prohibited. This includes contact through the internet, online, and all social media outlets.
- Your personal contact information cannot be shared with your child.
- Keeping the privacy and security of our children is of utmost importance. To ensure this, do not post detailed information about your child on the internet or any social media outlets including last name, family members' names, and/or home village.
- Teams visiting the school may post pictures of their trip on social media outlets as long as no detailed personal information is included with the photos. Posting first names is permitted.
- Visits to the school or to the child's community/village are not allowed under any circumstances without BTI's consent.
- Because your privacy and security are equally important to us, sponsored children and their families are prohibited from contacting you without BTI's consent. This is to protect both parties. Any direct contact outside of this program must be reported to the BTI Director immediately.

A note from the Director:

Welcome and thank you for joining the Bridge to India Family! It is my prayer that your relationship with your godchild will be a blessing to you as you bless your godchild. My favorite bible verse is Jeremiah 29:11 "For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future." I love the confidence we can have in our future because the Lord has already planned it for us. He is a good and loving Father who uses His children in the lives of others. I believe supporting the education of a child invests in their future and changes a generation. I am honored that you have chosen to be a part!

*You are Loved,
Tiffany Griggs
Director of Bridge to India*
